

# Leopold Education Project

## Weekend at the Welder Wildlife Foundation

### Educator & Facilitator Workshops

**What is the Leopold Education Project (LEP)?** LEP is an innovative, interdisciplinary educational program based on the classic writing of renowned conservationist, Aldo Leopold. The curriculum was developed to teach the public about humanity's ties to the natural world and to provide leadership in the effort to conserve and protect the earth's natural resources. LEP's goal is to instill love, respect, and admiration for the land, leading to an ecologically literate citizenry with an intense consciousness of the Earth.

**Who should attend? *Educator Workshop:*** K-12 educators (science, language arts, math, art, history, etc.), non-formal educators, natural resource professionals, 4-H and scout leaders, conservationist and anyone interested in learning more about fostering a relationship between youngsters and the natural world are invited to attend. ***Facilitator Workshop:*** Is for those who would like to train others to use the LEP curriculum. Prerequisite: Attendance at an Educator Workshop.
