REGISTER TODAY for our annual**

Wildflower Workshop

DATE: Friday, March 30, 2012

LOCATION: Welder Wildlife Foundation, Sinton, TX

TIME: 9:00 am—4:00 pm

FEE: \$30 (covers lunch and materials)

REGISTRATION DEADLINE: Friday, March 23, 2012

This workshop is designed for individuals who have an interest in wildflowers and native plants, but have little or no background in plant identification. Dr. Lynn Drawe, former WWF director and well-known plant and range ecologist will lead the workshop. Participants will be introduced to native plants of south Texas, plant pressing, and plant identification. The workshop is limited to 25 people so
